machines, but the customs officials, assuming that the motor is the movable part of an airplane, expressed the belief that the basket clause in the metal schedule will govern the duty to be levied upon aeroplanes.

The tariff schedule provides that a duty of 45 per cent. shall be levied on articles of which metal is the component material of which is made an aeroplanes, or of the wooden framework, the propeller, and the canvas or balloon fabric planes, in addition to the duty on the metal which seems to be the paramount valuable.

The Wrights have named a price of \$100,000 for the machine.

## SHOOTS PHYSICIAN

Husband Arrived by Confession of H.

BIRMINGHAM, A.L.A., September 3. Following the confession of his wife that she was suffering from a criminal mind, William McIntyre, this morning went to the home of Dr. P. L. Hagler and shot him through the groin. Four of the five shots fired were with a .38 Smith and Wesson. The man was bound in the sum of \$200. Hagler was carried to a hospital and later removed to his home, where he was taken into custody. McIntyre was taken into custody with performing a criminal operation. Mrs. McIntyre, who has been ill several months, is said now to be in danger of death.

Charged with advising the operation, Mrs. Sallie Wheeler was placed in jail without bond.
